DRIVE-THRU EVENT

The Rotary Club of Yuba City is proud to present the **28th annual fundraiser - Crab Feed**. While things are a little different due to COVID-19 it doesn't mean we can't have fun and provide delectable crab, shrimp, low-boil, cheddar biscuit and dessert to our local supporters. This year we're doing a drive-thru event where we offer great food for you to enjoy in the safety of your own home. We're taking every step to make this exciting, memorable and delicious for our dear sponsors. While tickets will still be sold for individual meals, we're offering a different experience for those who wish to support us by way of **sponsoring**.

Meals will be delivered to you, so no need to wait in line! We will provide a beautiful delivery service which includes: dinner for the number of people in your sponsor level, a yummy local desert and a beautiful arrangement of the dinner items, so you can rest assured you have a great experience to share with your closest family and friends!

Proceeds from the Crab Feed fundraiser will benefit the youth in our local area by way of student scholarships.
